

THE OVERSEER

"Live the Leather Legend"

MANUFACTURERS MATERIAL LIST

Tree: All Overseer saddles are made using laminated plywood and steel trees, these trees are strained with seat belt webbing, lined with eva foam and woolen felt. There is no raw hide products used in overseer saddles.

The cantle and knee pads: are made from polyurethane.

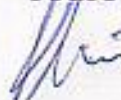

Leather: The leathers used in the saddle are fully bark tanned, supplied by commercial companies.

Counter Lined Saddles: These saddles have a woolen serge lining (royal blue in colour) and are filled with mohair noil that has been washed and carded by our suppliers.

Felt Lined Saddles: These saddles have a layer of woolen felt approximately one inch thick (navy blue) between the saddle tree and horse.

The Overseer saddles are made from the highest quality products available, these raw materials are purchased in Australia from only reputable companies that have been dealing in saddlery products for many years.

Yours Sincerely

Jason Simmons - Master Saddler
